### **WE GATHER IN GOD'S NAME**

Call to Worship

Lenten Insert

**Praise:**

***"Hosanna, loud hosanna"***

**#218**

Hosanna, loud hosanna, the little children sang; through pillared court and temple the joyful anthem rang. To Jesus, who had held them close folded to his breast, the children sang their praises, the simplest and the best.

From Olivet they followed amid the shouting crowd, the victor palm branch waving and chanting clear and loud; Messiah, God's anointed, rode there in humble state, "Hosanna in the highest!" rang out their praises great.

"Hosanna in the highest!" that ancient song we sing, for Christ is our Redeemer, the Lord of heaven our King. Oh may we ever praise him with heart and life and voice, and in God's joyful presence eternally rejoice!

Prayer of Confession:

**God of compassion, we confess that we prefer darkness to your light, and our ways to yours. We do what is easy rather than what is right. We have been dishonest with ourselves and each other. Forgive our fleeting enthusiasms and shallow commitments. As we witness again the story of Jesus confronting his enemies, strengthen our desire to follow him and serve you with courage like his.**

## WE PROCLAIM GOD'S WORD

**Praise:**

***"My song is love unknown"***

**#220**

My song is love unknown, my Saviour's love to me, love to the loveless shown, that they might lovely be. Oh who am I that for my sake my Lord should take frail flesh and die?

He came from his blest throne salvation to bestow, but we made strange, and none the longed-for Christ would know. But, oh, my Friend, my Friend indeed, who at my need his life did spend.

Sometimes they strew his way and his sweet praises sing, resounding all the day hosannas to their King; then "Crucify" is all their breath, and for his death they thirst and cry.

Here might I stay and sing, no story so divine; never was love, dear King, never was grief like thine. This is my friend in whose sweet praise I all my days could gladly spend.

## WE RESPOND TO GOD'S WORD

Prayers of the People

Leader: Lord in your mercy...

**All: Hear our prayer.**

The Lord's Prayer:

**Our Father, who art in heaven, hallowed be thy name. Thy kingdom come. Thy will be done on earth as it is in heaven. Give us this day our daily bread, and forgive us our debts as we forgive our debtors. And lead us not into temptation, but deliver us from evil. For thine is the kingdom, the power, and the glory, forever. Amen.**

**WE GO OUT IN GOD'S NAME**

**Praise:**

***"Ride on, ride on in majesty"***

**#217**

Ride on, ride on in majesty; hark, all the tribes Hosanna cry. O Saviour meek, pursue thy road with palms and scattered garments strewed

Ride on, ride on in majesty; in lowly pomp ride on to die. O Christ, thy triumphs now begin o'er captive death and conquered sin.

Ride on, ride on in majesty; the angel hosts beyond the sky look down with sad and wondering eyes to see the approaching sacrifice.

Ride on, ride on in majesty; the last and fiercest strife is nigh. Thy Father on the sapphire throne expects thee, loved, anointed Son.

Ride on, ride on in majesty; in lowly pomp ride on to die. Bow thy meek head to mortal pain; then take, O God, thy power and reign.

Benediction and Sung Response

**Amen, Amen, A - - men.**

### **PWS&D Lenten Appeal**

Malawi has seen a recent surge in COVID-19 after a period with very few new reported cases. In mid-January, the president

declared a state of emergency, temporarily closing schools, prohibiting gatherings of over 50 people and enforcing a nighttime curfew.

Food security is endangered, as farmers are seeing a reduction in income as a result of COVID-19, while still paying more for farm inputs. PWS&D supports rural farmers to strengthen farm production and market capacity, with all safety precautions being implemented for training and farm visits.

Prolonged school closures over the course of the pandemic have fueled teenage pregnancies and early marriage. Significant increases of domestic violence have been reported. Lengthy stay at home orders have decreased economic opportunities, leading to increased levels of abuse.

This surge in cases is being fueled by the highly infectious strain of coronavirus first discovered in South Africa. This surge is putting extraordinary strains on an already burdened health care system. Although not the primary facilities responsible for treating COVID patients, mission hospitals have converted parts of their facilities to COVID treatment—including those supported by the Presbyterian Church in Canada in Ekwendeni, Livingstonia and Mulanje.

Since the beginning of the pandemic, the Presbyterian Church in Canada (through PWS&D and International Ministries) has provided support to partners in Malawi, ensuring that project work could continue.

In order to ensure that activities can continue safely, partners have largely cancelled community meetings of over 20 people. Physical distancing is being enforced at any community meeting or training. Meetings are being held in large outdoor spaces, with facilities provided for handwashing and facilitators wearing face masks. Partners have increased community awareness sessions and messages about COVID prevention and management.

As we highlight PWS&D during this Lenten season—and stop to reflect on our own blessings—may we also prayerfully consider our offerings to this important work of the church.

### **COVID TOWN HALL**

We are fortunate at St. Andrew's to have a member of our congregation who is part of Public Health. Dr. Tabien has been working through the past year helping with the province's response to the Covid pandemic and is willing to answer any questions that we might have by holding a town hall meeting by zoom. Because of her schedule, this would take place after April 18<sup>th</sup>, giving us a chance to come up with questions. A Zoom link will be sent out once a firm date has been set for all those who are interested.

# Palm/Passion Sunday

*Adapted from the original  
written by the Rev. Mary Whitson*

- L: Jerusalem, at last! We join the crowd streaming to the mountain.  
We watch Jesus approach on a lowly donkey.  
We hear the crowds cry "Hosanna!"
- P: "Hosanna! Blessed is he who comes in the name of the Lord!  
Hosanna in the highest heaven!"
- L: There is a joyful song in the air: the people cheer and the palms wave.  
But the adulation of the crowd is shallow.
- P: Hosanna in the highest. Hosanna to the blessed of God.  
Son of David, save us now.
- L: The crowd grows—  
the people want to be part  
of something important.
- P: "Hosanna! Blessed is he  
who comes in the name  
of the Lord!"
- L: Let us pray.
- All: God of all times, we have  
followed Jesus into the  
crowded city. We too want  
to catch a glimpse of Jesus.  
Reveal to us what true glory,  
leadership and obedience  
look like under your reign.  
In the name of Jesus we pray,  
Amen.

# A Long-Awaited Answer

In Nepal, Keshari Bohara wasn't sure why she felt numbness and had an ulcer on her hand. But one day the 58-year-old walked into the Shining Hospital and received the answers she had been waiting for. The hospital staff told Keshari that her symptoms were due to leprosy.

In Nepal, PWS&D's local partner, the Shining Hospital, ensures appropriate diagnosis and treatment for patients living with leprosy and tuberculosis.

Through their mobile outreach clinics, the project has served hundreds of patients in remote communities—mostly people like Keshari— living with undiagnosed skin conditions.

With the support of the Shining Hospital, Keshari is now taking the correct medication to treat her illness. She rejoices that her ulcer is getting better, thanks to the proper care and treatment she received at the hospital.

This Lenten season faithfully respond to provide more people like Keshari with access to proper health care that offers quick and accurate diagnosis.
